

Who is Yeshua?

Who is a liar but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the Son.

1 John 2:22 (KJV) 

More often than not the way God speaks to me is He drops a bit of information on me and then allows me to find the evidence to support it in His Word. What He told me about Yeshua actually came as no surprise, but perhaps that's only because at the time I had been dealing with so many Hebrew Roots cultists it was the only thing that made any sense. The attitude problem some of them have is appalling, as well as the blatant disregard for New Testament scripture, particularly that of former Pharisee Paul. As it turns out these people are the modern day Pharisees.

Previously, I had been working under the mistaken impression that these people were simply confused. But after a while it became terribly apparent that there was much more to it. They were not being guided by the same Holy Spirit I was, or praying to the same Jesus Christ of Nazareth. When pressed, these people will say they are not 'Christians' at all, but 'Israelites'.

If it were merely a situation of it being the same Christ under His supposedly 'Hebrew name' we would have easily found common ground. The Holy Spirit would bear witness and there would be no friction. However this is clearly not the case. My reaction to this foreign name being used for Jesus Christ was visceral from day one, and I fail to understand why it isn't the same for everyone else.

Be it known unto you all, and to all the people of Israel, that by the name of Jesus Christ of Nazareth, whom ye crucified, whom God raised from the dead, even by him doth this man stand here before you whole. This is the stone which was set at nought of you builders, which is become the head of the corner. Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved.

Acts 4:10-12 (KJV) 

The Yeshua name is one of Satan's most brilliant deceptions because it is based on specious knowledge. Specious means something that seems true and makes 'logical' sense but is actually not true at all. Satan's most cunning deceptions are always based on specious knowledge. In addition, this substitute name fits right in with the magickal workings of Kabbalah as well as that basic truth of stage magic, the concept of misdirection of the audience.

As you can see from the above passage there is no other name by which men are saved. Do you suppose this was written in scripture accidentally? Or did the Holy Spirit know there would be 'false Christs' passed off on us as the real thing? Of course the ultimate false Christ will be the Antichrist. Scripture tells us that **His name is Jesus**, yet it is truly stunning how many Christians have so easily been deceived by a magickal 'sleight of hand' and abandoned Him for Yeshua. Scripture also tells us His name is where all our power and authority as Christians is derived from.

The first clue that something is terribly wrong with this Yeshua name is that it appears nowhere in the New Testament. This fact is carelessly dismissed as being due to the King James Bible having been corrupted. Some even ignorantly claim that the name of Jesus was 'invented' for the KJV. This fact is rather easily disproven by simply referencing "The Great Bible" of 1540 translated nearly seventy years prior to the KJV.

Others try to make absurd conclusions based on the fact that the letter 'J' was not always a part of the English language. "There's no 'J' in Hebrew" they will claim, as if it proves something. Of course there's no 'J' in Hebrew, neither is there any ABCDEFGHIKLMNOPQRSTUVWXYZ! We are reading an English translation and they are surprised there are letters of the English alphabet being utilized?

**And she shall bring forth a son, and thou shalt call his name JESUS: for he shall save his people from their sins.
Matthew 1:21 (KJV) **

Scripture always holds the key to destroying false doctrines, but it takes work. Sadly, people are lazy these days and always looking for someone else to do the heavy lifting for them spiritually speaking. One of the claims made about the name Yeshua (**H3444**) or Yehoshuah (**H3091**) is that it means "Jehovah (the Father) is salvation". Simple question; in this New Testament dispensation is salvation now through the Father or the Son?

As the above verse states 'He (Jesus) shall save His people', not the Father. As surprising as it may be to some, all salvation has been given into the hand of the Son (**John 10:28 KJV **). What this means is that since the cross even the Father can no longer save a soul. This fact is the linchpin of New Testament scripture that destroys the Hebrew Roots/Sacred Name cult. We cannot bypass Jesus and His finished work on the cross by sacrificing a bullock to the Father or any other work of the law, and any attempt to do so is to spit on the cross of Christ.

So Who is This Yeshua?

Okay, so if Yeshua is not Jesus then who is he? This is one answer that God made me wait on for a while, but when it was revealed everything suddenly made sense. Some of you may recall a **story about a rabbi** (and Kabbalist) who died a few years back and supposedly left a note revealing the messiah's name to be opened and revealed one year after his death.

**Concerning the letter abbreviation of the Messiah's name, He will lift the people and prove that his word and law are valid. This I have signed in the month of mercy,
Yitzhak Kaduri**

The name he revealed? Apparently the phrase "He will lift the people and prove that his word and law are valid" in Hebrew is abbreviated "Y. E. S. H. U. A." But before you get excited take a deep breath and understand this. As we all know the Jewish people collectively rejected Jesus as the Christ. As such they are not awaiting His glorious return, but the *first coming* of the Christ. As we know Christ has already come and gone, so who is it that hasn't come yet?

Simply stated, Yeshua is the Antichrist. He is the false Christ that the Jews will accept and just one of the many names that the Antichrist will take for himself. Further evidence of this can be gleaned from the text of this note, because Jesus Christ of Nazareth came to fulfill (finish) the law (**Matthew 5:17 KJV **), not validate it. We know that the law shall never pass away, however the only ones under it are unbelievers. And every one of them will not be vindicated by the law, but stand guilty under it. As Paul told us we are no longer under the law, but under grace.

Doth not even nature itself teach you, that, if a man have long hair, it is a shame unto him?

1 Corinthians 11:14 (KJV) 

Was Jesus sinless and without shame? It is Yeshua who is the long haired effeminate 'Jesus' that the artists and movies depict, not Jesus Christ. They have gotten Christians to worship a graven image of him when scripture plainly tells us that long hair on a man is a shame. Folks, can you now see how deep this goes down the rabbit hole?
